IMPORTANT NOTICE

REGARDING A CHANGE TO YOUR TELECOMMUNICATIONS SERVICE

Dear Valued Customer,

Beginning on or around July 15, 2017,¹ your home telephone service, provided by Global Connection Inc. of America d/b/a Real Home Phone ("Global"), will be provided by Tele Circuit Network Corporation ("Tele Circuit"). **Please rest assured that the transition will have no impact on your current services or rates, nor will there be any interruption of service.**

No action on your part is required. You will continue to use your current telephone number while keeping the price you are paying for service the same. Tele Circuit will provide you with services that meet or exceed those you currently receive while ensuring that the transfer does not result in an increase to your regular monthly recurring charges. Notice of any future changes in rates, terms and conditions of service will be provided to you as required by law. Additionally, you will not incur any fees as part of this change and you can continue to make your monthly telephone payments at your neighborhood payment location.

You have the right to select a different provider, but please note that if you do, you may incur a fee from that provider for the transfer. If you do not switch your service to a different provider prior to July 15, 2017, then your phone service will automatically be transferred to Tele Circuit.

Please note that any local service preferred carrier "freeze" you have placed on your existing telephone lines to prevent unauthorized transfer to another local carrier will be over-ridden for purposes of this transaction, and you will need to contact Tele Circuit, or your alternate provider, to request a new freeze after the transfer is complete.

Global would like to take this opportunity to express our gratitude for the many years of being able to provide home phone services. If you have any questions or concerns about your service or regarding the change to your home telephone account, you can call Global prior to the transfer at 1-877-511-3009. We will be happy to answer any questions you may have.

Tele Circuit is committed to the highest ideals of quality and unsurpassed customer service. If you are not satisfied with this transition in any manner, we encourage you to contact us so that we may resolve any outstanding questions you might have at 1-877-835-3247. If you have any complaints against Global prior to or during the transfer, you may also lodge such complaints with Tele Circuit at 1-877-835-3247.

Once again, thank you for your patronage and patience during this transition. We know that you will appreciate all the products and high quality of service you will receive from Tele Circuit.

Sincerely,
